“The words Jesus spoke to Peter are incisive and full of wisdom: “Put your sword back into its place; for all who take the sword will perish by the sword” (Mt 26:52). Those who wield the sword, possibly in the belief that it will resolve difficult situations quickly, will know in their own lives, the lives of their loved ones and the lives of their countries, the death brought by the sword. “Enough!” says Jesus (Lk 22:38), when his disciples produce two swords before the Passion. “Enough!” That is his unambiguous response to any form of violence. That single word of Jesus echoes through the centuries and reaches us forcefully in our own time: enough of swords, weapons, violence and war!”

International meeting of Prayer for Peace October 20, 2020

Remembrance Day – November 11

Canadians pause today in silence to remember those who died in war and to pray for the victims of aggression and inhumanity throughout the world.

This is a day to pray for peace, to consider what we are doing as individuals, as a community and as a nation to bring God’s peace into the world.

This is a day when a believing community should rededicate itself by prayer and action to the ideals Jesus gives us in the Beatitudes.
