• During Lent, Holy Mother Church invites us to join our Lord and Savior Jesus Christ in the desert, where in silence, peace and prayerfulness we can better undergo conversion to the will of the Father. This Retreat is, therefore, a *silent* Retreat. As human beings we fall into a routine of daily living, even going to church can easily become routine without our being fully aware of our calling in life, so that as the years tick by, we begin to miss out on the rich life-giving spirituality which our Faith has to offer. This Lenten Retreat is intended for all who find themselves either in a bland routine or are searching for more meaning in their lives. No matter if you are twenty or eighty years of age, whether student or single, married or widowed, you have a vocation, a calling by God, which changes along your life's journey.

- This Lenten Retreat will consist of three sessions facilitated by Fr. Henk, with ample time for private reflection, an optional invitation for a sacred conversation with one of our Manresa team members, daily Mass, and a healing service with an opportunity to receive the Sacrament of Reconciliation; all this on our beautiful 21-acre Manresa property in Pickering, which is connected to conservation lands, affording many quiet walks and opportunities for meditation and prayer.
- You are encouraged to switch off all electronic devices during the Retreat; to bring warm and comfortable clothing for indoor meditation, for prayer, and for taking quiet walks in the Centre's grounds.
- Manresa is a smoke-free facility. Smoking is permitted outside or in the designated area only.
